The Company

Peden Power Ltd is a leading manufacturer and distributor of power equipment for both Lawn & Garden, and Construction products for more than 40 years. We are based in Northern Ireland approximately 35 miles north of Belfast. We operate out of a purpose built building, incorporating our workshop and manufacturing facilities, with trade counter and administration departments. The company has a dedicated workforce of 20 people who have been fully trained, and have many years of experience in the trade.

Peden Power continually work to provide a fast reliable service, backed by an extensive range of spare parts.

This catalogue should be used as a guide only to our products.
